

Kindergarten Screenings

Before enrolling in kindergarten, your child will be involved in a readiness screening. The screening assesses your child's skills in: speech/language; vision/hearing; and academic.

If you have a child who will be 5 on or before August 1, 2021 and want him/her to start kindergarten in the fall, contact Brookville Elementary School at 937-833-6796 as soon as possible to schedule your child to come in for a screening. Your child must be screened in order to start school in August.

If you have any questions about the kindergarten registration process, please call 937-833-6796.
